What is Climate Action Middlesbrough?

- Climate Action Middlesbrough (CAM) is a new programme to support communities in Middlesbrough to reduce their carbon footprint and encourage changes towards more sustainable lifestyles.
- We work with a range of organisations and businesses, such as ACTES, Middlesbrough Environment City, LINX Youth Project, The Other Perspective, and Tees Valley Wildlife Trust.

As a volunteer for us, you will:

- Take part in our peer - mentoring course to become an eco-champion, helping others in your community to live more sustainable lives!
